Sir:

These comments are presented because the Revocation of Power of Attorney With New Power Of Attorney And Change of Correspondence Address filed on July 27, 2004, a copy of which is attached hereto as Exhibit A, has not been entered into the file history at the time of filing this Petition, and because the undersigned was not the practitioner responsible for prosecuting the application at the time of abandonment.

The instant application was formerly handled by the law firm of Arter & Hadden, LLP.

In July 2003, Arter & Hadden ceased operations and returned the instant case to the Applicant.

On July 15, 2004, the Applicant requested that the undersigned check on the status of the instant application. The undersigned checked the status of the instant application on the Patent Application Information Retrieval (PAIR) portal and determined that a Notice of Allowance was mailed on April 2, 2004 and that the issue fee was due by July 2, 2004.

The Applicant stated that they had not received the Notice of Allowance and were not aware that an issue fee was due. The Applicant then transferred the instant case to the law firm of Jones Day, delivered the instant case file to the undersigned, and filed a Revocation of Power of Attorney With New Power Of Attorney And Change of Correspondence Address on July 27, 2004. The undersigned is an attorney associated with the Jones Day customer number 24325.

The undersigned contacted the Applicant's former attorney, now with the law firm of Tucker, Ellis & West. The customer number of Arter & Hadden was transferred to the law firm of Tucker, Ellis & West, and thus the correspondence address was changed to Tucker, Ellis & West. However, the Applicant's former attorney stated that the Applicant was not a client of Tucker, Ellis & West, and that Tucker, Ellis & West could not verify that the Notice of Allowance was forwarded to the Applicant. The undersigned then obtained a copy of the prosecution history of the instant application on August 6, 2004 in order to obtain a copy of the Notice of Allowance.

Due to the closing of Applicant's previous law firm handling this matter, it is unclear as to which former practitioner was responsible for prosecuting the application at the time of the abandonment. The undersigned contacted the Office of Petitions on August 12, 2004, and spoke to Mr. Irvin Dingle regarding the signature requirements. The Office of Petitions suggested that the undersigned sign the petition, provided that the undersigned submit these comments with the

petition for consideration. Accordingly, the undersigned has signed the 37 C.F.R. 1.137(b) petition.

The Office of Petitions may direct any questions to the undersigned at 216-586-1162.

Respectfully submitted,
